## GUARDIAN CONTRACT

Frame's Pest Control, Inc. will provide quarterly pest management that is guaranteed to prevent any pests on or inside your home. If you have a pest problem Frame's will come out as soon as possible to take care of the problem. The quarterly services will begin with an initial startup service at which point all known pest problems need to be addressed. Payments during the first year will be made at the 1st and 3rd services for that days service and the following service. This contract lasts for four quarterly treatments at which time the program can be cancelled at any time. Payments after the first year can be made on a quarterly basis.

This guarantee does not cover damage done by pests or pests not covered under the treatment control of Frame's Pest Control, Inc. These pests include ticks, mosquitoes, outside rodents and wildlife. Termites are only covered if customers sign up for the Guardian Plus Program.

### Guarantee can be void for the following reasons:

- 1) There is a pest problem not made aware of to Frame's Pest Control, Inc. before initial cleanout.
- 2) A quarterly service is skipped.
- 3) Payment for service is not kept up to date.
