### GuardianPlus: (Includes Sentricon)

Frame's **Guardian Plus Program** is for those who wish to have ongoing quarterly pest control service and to be proactive in the fight against termites. With this innovative program you are covered against the widest range of pests incorporating the most advanced, State-Of-The-Art termite monitoring system available anywhere, the *Sentricon Termite Colony Elimination System w/ Always Active Technology*.

You will experience savings versus buying termite and pest control programs separately, while still maintaining a full warranty. If any pest return between our regularly scheduled quarterly visits, so will Frame's --at no additional charge!
